SUBJECT

: DDP Seminar Clandestine Services Review
Course No. 48

1. The Office of Training would appreciate your addressing the students of Clandestine Services Review Course (CSR) No. 48. The purpose of this course is outlined on the first page of the course schedule (Attachment A). The roster of students, the majority of whom have recently returned from overseas stations and bases, is included as Attachment B.

2. The primary purpose of this period of instruction is to provide you an opportunity to brief the students on major policy directives which will confront them as they assume their various headquarters responsibilities. We have asked the students to submit questions of major importance to them which they would like to have you discuss. The span of these questions will interest you and are included as Attachment C. In work groups we required the students to agree on the one most important question; these are included as Attachment D. While you may want to address yourself solely to these questions, feel free to refer to any of the original questions or to other matters of your own choosing.
